**Commissioner for Patents**

The Terminal Disclaimer provided December 14, 2004, was not signed by an authorized representative. An attorney or agent, not of record, is not authorized to sign a terminal disclaimer in the capacity as an attorney or agent acting in a representative capacity as provided by 37 CFR 1.34 (a). See 37 CFR 1.321(b) and/or (c). It would be acceptable for a person, other than a recognized officer, to sign a terminal disclaimer, provided the record for the application includes a statement that the person is empowered to sign terminal disclaimers and/or act on behalf of the organization. Accordingly, a new terminal disclaimer, which includes the above empowerment statement will be considered to be signed by an appropriate official of the assignee. A separately filed paper referencing the previously filed terminal disclaimer and containing a proper empowerment statement would also be acceptable.

The terminal disclaimer will not be processed until an appropriately authorized representative signs the Terminal disclaimer and resubmits same.
